## Hospice Mission ■ ■ ■

To provide holistic, comprehensive homecare services to patients and their families in Sandusky and Ottawa counties and the surrounding areas by promoting quality of life through all stages of illness.

## About Hospice ■ ■ ■

For over 24 years, Hospice of Memorial Hospital has been providing quality, compassionate care to the people of Sandusky and Ottawa Counties and the surrounding areas. In your community, Hospice of Memorial Hospital provides a special way of caring; giving terminally ill-patients choices to determine how they live out the rest of their life.

Hospice of Memorial Hospital is committed to enhancing quality of life by supporting our patients and families physically, emotionally and spiritually.

### OUR CARE TEAM INCLUDES:

- Hospice Medical Director
- Patient's Physician
- Hospice Nurses
- Medical Social Workers
- Hospice Nursing Assistants
- Volunteers
- Spiritual Care Advisors
- Bereavement Team

Hospice of Memorial Hospital believes that everyone has the right to live pain free and with dignity; while giving loved ones necessary support.

- We provide the resources necessary so patients can remain at home – whether in their own home, nursing home, assisted living or hospital. We bring the care and services to the patient so they can enjoy their time in an environment where they are most comfortable and familiar.
- Our priority is pain and symptom management. Achieving comfort allows the patient to enjoy spending quality time with friends and loved ones.
- Emotional and spiritual support is offered to patients and families to nurture hope when lives are touched by the transitions that life-limiting illnesses may bring.

## Bereavement Services

Grief is a natural reaction to a loss of any kind, although everyone's journey is unique. Each one of us will experience many losses throughout our lives. While these losses are different, rebuilding our lives and relationships after the loss is a challenge.

Hospice of Memorial Hospital offers bereavement services to adults and children throughout our community whether or not they have been involved with our Hospice.

## Volunteer Services ■ ■ ■

Volunteers are a vital part of our Hospice team and these caring people make a real difference in the lives of the patients and families we serve. Hospice volunteers generously provide assistance in areas such as:

- Providing companionship in a home setting
- Delivering medicine and supplies to the patient
- Assisting with light household duties, including meal preparation for patients & baking for Hospice programs
- Helping with clerical duties in the Hospice office
- Fundraising in the community

If you are looking for an opportunity to make a difference in someone's life, please consider becoming a Hospice volunteer. For more information, please call Hospice of Memorial Hospital at **419.547.6419**.
